## OUR WEEK AT OSHC

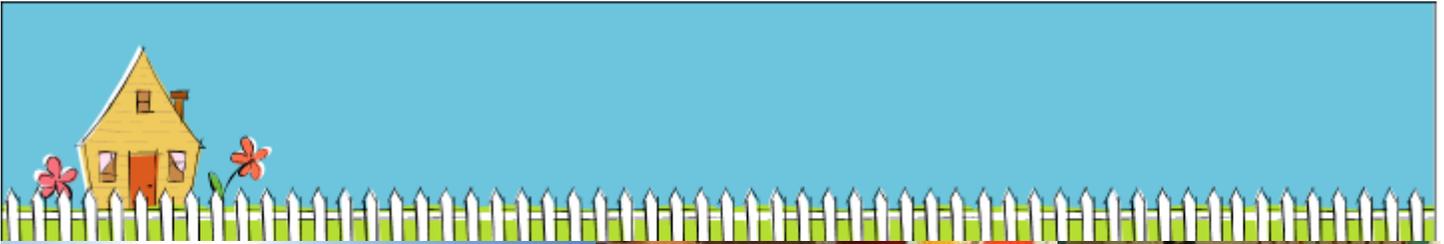

This week, due to the up-coming public holiday for the Queens Birthday, the children made crowns using glitter, sharpies, coloured stickers and a variety of glued on shapes. Some pretended they were royalty and designed their crown to the way they would want if they were to wear one.

Bull rush and red light green light were popular games played by the children outside. The students decided that they would have 4 people in, 2 of them have to be in 3-6 and the other 2 needed to be in k-2. The teachers enjoyed watching the younger students devise a strategy in order to tip the fast yr 6 boys.

Guess Who is a fun game enjoyed by the children later at night. Our Guess who has one side with people and the other side with animals so the students can switch it up. Bowling is another fun activity played by some of the morning children. Some students made a rule that they had to crouch on the ground and roll the ball to make it harder to gain momentum.

This week we celebrated Daria and Markella's birthdays. We are looking forward for more birthdays to come in the next couple of months.

Please take a look at the photos on the next page highlighting the children's time at OSHC in week 6.
