

# MELROSE PARK OSHC BLOG

Term 2 Week 8

## DEAR PARENTS

Welcome to the Melrose Park OSHC weekly blog! You will be able to find our blog through the Melrose Park OSHC website which is: [www.melroseparkoshc.com.au](http://www.melroseparkoshc.com.au)

The blog will include information about OSHC and what we get up to during the week. If parents want to inform other families of fun activities in the area please email us as we will be happy to use our blog as a forum to do so! We also include community activities, staff updates and birthdays we have celebrated. If you have any ideas for our blog please feel free to share them with the staff!

## COMMUNITY ANNOUNCEMENTS

*Have you heard about the Dance Hub performing Arts. Miss Nat runs all different types of dance classes with children of all ages. The best thing about this program is there is usually a class running every afternoon in the school hall! Miss Nat can be contacted on 0424171649 for enquiries. I know the OSHC kids love it!*

## THURSDAY AFTERNOONS

This week on Thursday we had an exciting visitor. Steph is a high school student who will be joining us every Thursday afternoon. She will be participating in games with us and will be interacting with the students during indoor and outdoor play. She has represented Eastwood Ryde Netball Association at many netball carnivals and will be able to teach the children new netball skills. We are very excited to have Steph here at OSHC and she will also be making a few appearances during Vacation Care.

## OUR WEEK AT OSHC

This week at OSHC we practiced our putting skills and turned the oval into our very own golf driving range. The children took turns brushing up their skills, as well as seeing who could hit the ball the furthest. Safe to say some of the children had a better swing than the teachers!

Craft activities this week included colouring in as well as decorating our very own blackboards. Narelle recycled cardboard cereal boxes and by attaching chalkboard paper, created mini blackboards for the children to draw and create fun designs on.

Card games were extremely popular this week with all children. From Uno, to Neighbours, to Shed, there was a game for all ages. Some of the older children also took it upon themselves to teach the kindy kids new card games, as well as some helpful tips and tricks!

Lego was also a hit amongst the kids this week, with a number of our children creating some impressive designs. Bounce Off was another game that was extremely popular. Tournaments were held and the children rotated turns to ensure everyone got a chance to play.

Please take a look at the photos on the next page from Week 8!

Have a Nice Day
