

MELROSE PARK OSHC BLOG

Term 2 Week 9

DEAR PARENTS

Welcome to the Melrose Park OSHC weekly blog! You will be able to find our blog through the Melrose Park OSHC website which is: www.melroseparkoshc.com.au

The blog will include information about OSHC and what we get up to during the week. If parents want to inform other families of fun activities in the area please email us as we will be happy to use our blog as a forum to do so! We also include community activities, staff updates and birthdays we have celebrated. If you have any ideas for our blog please feel free to share them with the staff!

COMMUNITY ANNOUNCEMENTS

Have you heard about the Dance Hub performing Arts. Miss Nat runs all different types of dance classes with children of all ages. The best thing about this program is there is usually a class running every afternoon in the school hall! Miss Nat can be contacted on 0424171649 for enquiries. I know the OSHC kids love it!

VACATION CARE

Bookings and cancellations close for vacation care on Monday 27th June. If you wish to make a booking please contact Lauryn. If you require a booking to be cancelled you WILL NOT BE REFUNDED unless we have another family to take your place. We still have some families who have not handed in their permission slips or excursion permission slips. This must be done by the end of the week

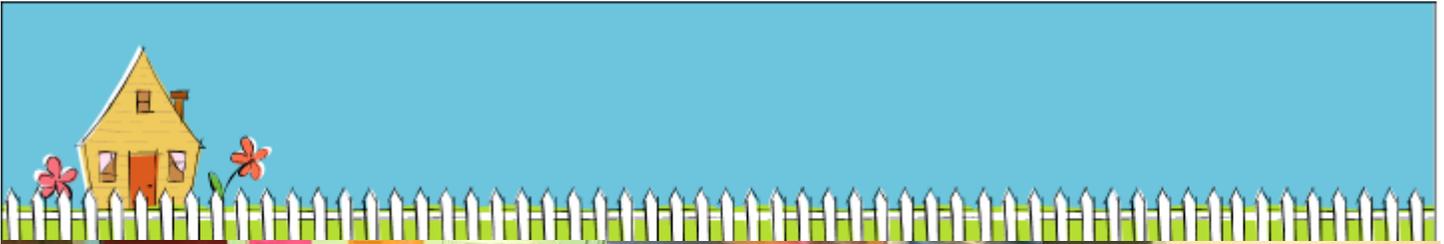

OUR WEEK AT OSHC

This week at OSHC the children were able to replicate a stain glassed window using cardboard, sharpies and foil. By cutting the cardboard out into a arch shape then wrapping it with foil this gave the students the perfect base to create their own stain glassed window. The sharpies were then used to create different coloured patterns. You can view these creations on one of our walls in the OSHC room.

Ello has been a very popular indoor activity this week. Many of the girls collaborated to build a miniature city on our Ello table fit with walls, doors and tables!

Soccer was enjoyed by a number of students during our outdoor play this week. What better way to warm yourself up than run around on the oval! At one stage there was 2 balls being used to make it more difficult for the players.

Please take a look at the photos on the next page from Week 9!
