

MELROSE PARK OSHC BLOG

Wk 2 July Vacation Care

DEAR PARENTS

Welcome to the Melrose Park OSHC weekly blog! You will be able to find our blog through the Melrose Park OSHC website which is: www.melroseparkoshc.com.au

The blog will include information about OSHC and what we get up to during the week. If parents want to inform other families of fun activities in the area please email us as we will be happy to use our blog as a forum to do so! We also include community activities, staff updates and birthdays we have celebrated. If you have any ideas for our blog please feel free to share them with the staff!

COMMUNITY ANNOUNCEMENTS

Have you heard about the Dance Hub performing Arts. Miss Nat runs all different types of dance classes with children of all ages. The best thing about this program is there is usually a class running every afternoon in the school hall! Miss Nat can be contacted on 0424171649 for enquiries. I know the OSHC kids love it!

How our day is set up during vacation care:

In addition to filling our day based on our themes, the children spend many hours outside. During this time the children get to play on the oval, play equipment, netball courts and handball courts. This time is spread throughout the day to ensure the children (and staff) aren't inside for hours on end.

JULY VACATION CARE WEEK 2

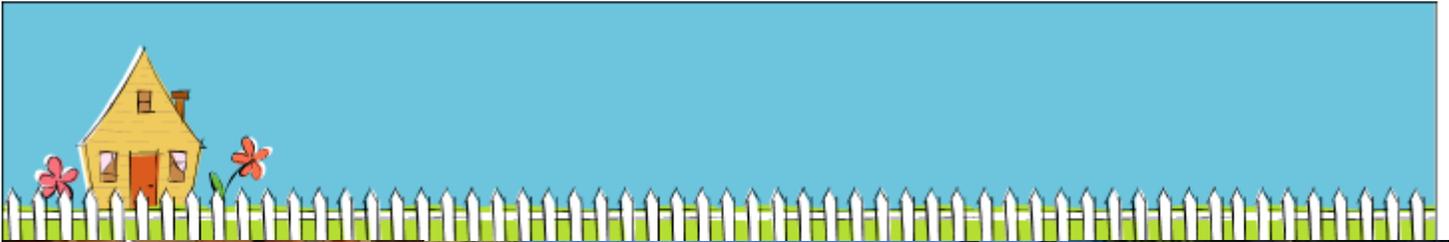

The second week of vacation care was filled with even more exciting activities! On Monday was our Mad Hatter Tea Party! We created our very own crazy hats and decorated them with all sorts of funky materials such as feathers and glitter. We also feasted on cupcakes and iced our own biscuits that were decorated with our favourite lollies.

The following day we had sports day where we were lucky enough to have a very special visit from our high school friends. Stephanie and Roisin came along and showed us some new skills. From skipping, to soccer, to netball we had all the sports covered.

On Wednesday we had a super exciting excursion to Putt Putt. We put our putting skills to the test as we all tried our hand at mini golf. The students had a great time exploring the different courses, and by the end of the second game most of us had even managed a hole-in-one!

Crazy hair and boot camp was the theme for Thursday. In the morning we created funky hairstyles for the kids using gel and coloured hair spray. With our crazy hair ready, we were ready for any obstacle. The students skipped, hopped, balanced and jumped their way through the afternoon with a range of different activities.

Friday was Lego day. The students were eager to get their hands on the new equipment and create exciting new designs. With it being such a lovely day, the children alternated between Lego and running around outside and playing on the equipment, making the most of the lovely day. Have a look at some photos of all the fun things we have done!
