

MELROSE PARK OSHC BLOG

Term 3 Week 8

DEAR PARENTS

Welcome to the Melrose Park OSHC weekly blog! You will be able to find our blog through the Melrose Park OSHC website which is: www.melroseparkoshc.com.au

The blog will include information about OSHC and what we get up to during the week. If parents want to inform other families of fun activities in the area please email us as we will be happy to use our blog as a forum to do so! We also include community activities, staff updates and birthdays we have celebrated. If you have any ideas for our blog please feel free to share them with the staff!

COMMUNITY ANNOUNCEMENTS

Have you heard about the Dance Hub performing Arts. Miss Nat runs all different types of dance classes with children of all ages. The best thing about this program is there is usually a class running every afternoon in the school hall! Miss Nat can be contacted on 0424171649 for enquiries. I know the OSHC kids love it!

SEPT/OCT VACATION CARE

Vacation care bookings are now available via the webserver. Have a look at our program on the website for the fun and exciting 9 days we have planned for the children. Be sure to get in quick as spots will go fast

OUR WEEK AT OSHC

This term Melrose Park OSHC has been working on improving the menu with new and healthier meal options. This week the children particularly enjoyed our cold meats (ham and chicken) and salad (lettuce, tomato, cucumber and carrot) option. Cucumber was the favourite... who knew!

Most mornings this week, the children have set up giant snakes and ladders in the office. They thoroughly enjoyed being able to physically move around the board and climb up the ladders.

An art and craft activity this week was flowers made out of paddle pop sticks. As the paddle pop sticks were already coloured, the children only needed to select the colours they liked the most, glue them together and choose a button to tie it all together.

At night when most students have been picked up, some students have enjoyed using the extra room to play hot potato with a balloon. They even identified some areas of the room as lava to make it harder for themselves!!

Please take a look at the photos on the next page from Week 8!
