WEEKLY BLOG

WEEK 2 TERM 3

THE WEEK THAT'S BEEN...

This week we had loads of fun trying out some new activities. One of the highlights of the week was setting up our very own golf driving range. We all lined up on the oval and took turns to see who could hit the ball the furthest! Some of the older boys really impressed the teachers and could hit it to the other side of the oval with ease!

We got in touch with nature and used leaves we found in the playground for craft activities. We placed them behind a piece of paper and shaded, creating a cool pattern transfer! We noticed that different leaves created different patterns.

We also had lots of fun out on the oval playing group games. Fruit salad was one of the favoured games with everyone enjoying trying to run and jump over the other kids to make it back to their seat first! We also enjoyed an all inclusive game of bulrush with even teachers and parents getting involved.
