

# MELROSE PARK OSHC WEEKLY BLOG WEEK 3 TERM 3

## THE WEEK THAT'S BEEN...

This week we used the school's very own art show as inspiration for our many fun craft activities. The children painted their own lions, folded, cut and coloured their own fish and stamped out patterns for bookmarks. We also had the children draw self-portraits. They enjoyed taking the time to look at a photo of themselves and replicate their facial features as best they could.

Crazy bones have been an extremely popular game this week. The kids have enjoyed it so much we set up a tournament system to see who was the very best! The kids managed to beat the teachers time and time again, but we had lots of fun regardless of the outcome and everyone wanted to get involved which was awesome.

Making the most of the great weather has also seen the OSHC kids spending time outside. The equipment, One Bounce, and AFL are all really popular at the moment. In particular, the One Bounce craze has seen some of the children perfect their shooting skills and now they can get the teachers out with ease!
