

MELROSE PARK OSHC

WEEKLY BLOG WEEK 7 TERM 3

THE WEEK THAT'S BEEN...

This week was extremely busy at OSHC, with lots of things going on. In the lead up to Father's Day we were busy making our dads special cards, photo frames and hand painted pictures to say thank you to our dads for all that they do! Another craft activity that was extremely popular this week was the magic sand. The children had so much fun creating different things with the help of the molds.

Week 7 also marked the beginning of our 4-week tennis program. The program was fantastic and the children had a lot of fun learning the difference between a volley and drop shot, and playing games that helped improve the accuracy of their shots. We're already looking forward to what James will teach us next week!

Cricket has also been extremely popular at the moment, with the children really enjoying it! We've all been taking turns bowling, batting and fielding and we're getting so good we're waiting for our call up for Sydney 6'ers.
