

# MELROSE PARK OSHC WEEKLY BLOG WEEK 8 TERM 3

## THE WEEK THAT'S BEEN...

This week we had another visit from James, from the ANZ tennis hot shots program. This week we learned more about tennis itself and played different games to last week, which allowed us to improve our skills. The children genuinely love the program and are very excited for his return next week!

We have been busy outside with a variety of games this week. We have played games of fruit salad, where you have to jump over everyone's legs, as well as group sport games such as cricket and AFL. We have tried to incorporate everyone's favourite sports into the program so we all get a chance to show off our skills.

This week the cash register was again very popular. The girls in particular have had a lot of fun with the fake money, trying to budget and decide what purchases they could afford. It's been great to see them really learning about the value of money.

In the craft department we have used the recyclable chalkboards to be creative and draw pictures of our choice. We have also decorated cardboard cut out stars and painted pink flamingos.
