

## MELROSE PARK OSHC WEEKLY BLOG

### WEEK 9 & 10 TERM 3

#### THE WEEK THAT'S BEEN...

Wrapping up the term has seen OSHC become extremely busy! We've been getting ready for vacation care (big thanks to all our little helpers) and preparing to vacate the OSHC room as we're getting painted! We can't wait to see what our new room will look like.

The past two weeks we have continued to have lots of fun with James, and he has taught us some invaluable tennis skills. We have all improved by miles and have really loved having his awesome personality around!

We have enjoyed setting up a book club of a morning. We have used the comfy lounge as a quiet space where we can chill out, read our favourite books and discuss it quietly with our friends.

Craft as always has been lots of fun. We have done 'collaborative drawing' where everyone gets involved and draws pictures on a large sheet of paper that is the size of the table. We have also made birds in a nest and spiders in webs using paddle pop sticks, wool and pom poms.
