

MELROSE PARK OSHC WEEKLY BLOG

VACATION CARE

THE WEEK THAT'S BEEN...

It was a very busy vacation care! We were in the library as we were lucky enough to get our OSHC room repainted. The library was an exciting change and the children loved the extra space.

We had lots of fun throughout our different themed days. Some of the highlights were going on the hunt for missing Pokemon balls, sifting for gold, playing carnival games, making our own teddy bears and building a rocketship. We also enjoyed watching our favourite movies and doing craft that related to the theme of the day.

We had the fantastic opportunity to make friends from outside Melrose Park OSHC. We opened our door to children external to the school and the children loved making new friends.

We also took advantage of the fantastic weather during the school holidays. We ate outside, played lots of games outside and even did craft outdoors.

Carnival Day

Country Western

Space Day

Wizard of Oz

Teddy Bear Picnic
