

MELROSE PARK OSHC WEEKLY BLOG

WEEK 6, TERM 4

THE WEEK THAT'S BEEN...

This week at OSHC we have been having lots of fun playing outside. The weather again has been fantastic so we have made the most of this and played lots of soccer, cricket, softball and even golf! The children have really enjoyed being active and having a run around after school.

Loom bands has been a popular activity this week. The older kids have been fantastic and explained how to weave the bands to the younger kids who had never done the activity before. Its been great to see the older children be role models and take on a leadership style role, effectively guiding our younger students.

We've also had lots of fun using beanbags to create a snooze zone, where children can relax in the afternoon. We have also been making and flying paper planes, testing them outside to see whose plane can go the furthest. We've also been very busy with lots of different craft activities such as collaging.
