

MELROSE PARK OSHC WEEKLY BLOG

WEEK 7, TERM 4

THE WEEK THAT'S BEEN...

This week has been another great week at OSHC. This week we have placed an emphasis of craft, at the children's request. So we have listened to some of their suggestions and come up with some cool new craft activities for the week.

We used recycled paper to collage and create wonderful, colourful masks. Another craft activity saw us use sticky tape to block out areas of the paper before we painted it, so we could peel it back to reveal different images. We also did some more scratch art at the request of the kids! It's always very popular and the children love using the stencils to create wonderful patterns on their paper.

Our outside activities this week have been basketball and golf. The children enjoyed treating the oval as a driving range and seeing how far they were able to put their ball.

Just a reminder, if you have not already re enrolled for next year, but need to, please do so now!
