

# MELROSE PARK OSHC BLOG

Term 3 Week 1

## DEAR PARENTS

Please check the lost property box for your child's belongings as there are many clothing items without names from vacation care. This term we will be introducing special Friday morning breakfasts, this will be a rotating menu of the children's favorite breakfast foods such as pancakes, waffles, eggs, hash browns and fruit salad and yoghurt.

Thank you  
Melrose Park OSHC

## OUR WEEK AT OSHC

Monday was the last day of vacation care and the theme was Jurassic park! The children enjoyed excavating dinosaur eggs, watching dinosaurs grow from eggs in water and playing in sensory green slime with dinosaur figures. The children were creative when colouring and painting dinosaurs of all shapes and sizes, and patterning on dinosaurs using scratch art.

Tuesday morning the children choose to make paper plate horse craft. The children cut and painted paper plates and arranged them into a horse shape. The group were very happy with their animal creations. That afternoon the children used Tye dye to liven up a sheet that they use when building forts. The group used rainbow colours to brighten up the sheet and assisted in using rubber bands to make the patterns.

Wednesday the children created a graphic art design with their name. They filled the letters of their name with colourful patterns and designs. In the afternoon the children played a game of T ball, this helps them to develop good sportsmanship and teamwork skills.

Thursday the group made sparkly penguin paintings using black and white paint, orange cardboard and lots and lots of glitter, these cute little creatures can be found displayed on the board in the second half of the OSHC room. That afternoon the group helped to make pancakes with funny faces. The children used honey, strawberries, blue berries and bananas to make faces on their healthy pancakes.

Friday morning the group built a fort using the stick and ball construction set. The children left open spaces for windows and doors and filled the fort with pillows and blankets to make beds. That afternoon the group were very energetic, climbing on the equipment, playing games of horse races and piggy in the middle.
